

# 2012 Pikes Peak International Hill Climb

## ***Tech Day at PPIR 7-3-2012***

Pikes Peak International Raceway (PPIR) is proud to be the host of the 2012 PPIHC Tech Day. Tuesday July 3, 2012, all competitors of the 90<sup>th</sup> running of the "Race to the Clouds" will pass through the gates of PPIR.

In addition to hosting tech day, PPIR is offering an unprecedented level of support to the entire Hill Climb community. Teams and media can consider PPIR their home base for the week leading up to the race. Additional time is available if needed.

PPIR has garage space for rent and a 1.3 mile road course to test and adjust your car in preparation for race day. Additionally there is ample room for trucks/trailers and all domestic and international shipments can be delivered on site.

### ***GARAGE RENTAL RATES***

There are twenty 24'x18' garage spaces available for \$100 per day or these can be split in half for \$50 per day.

### ***TEST & TUNE TRACK TIME***

Road Course testing is available at \$150 per day, per driver.

### ***R.V. / CAMPING***

There are 50amp electric hook-ups available for R.V.'s for \$250 / week during the first week of July.

### ***OUTDOOR PARKING / STORAGE***

Outdoor parking/storage is available during hill climb week for trailers/rigs at NO CHARGE. All storage is inside the gated and secured infield area.

### ***SHIPPING & RECEIVING***

PPIR will accept shipments and has the ability to unload large containers. If your shipment requires a forklift, this service is being offered at \$25 for PPIHC competitors and must be scheduled through PPIR.

### ***MEDIA***

The media will be allowed to enter PPIR during the week. Media Credentials must be arranged in advance through the Pikes Peak International Hill Climb.

PPIR is proud to be working with the PPIHC and to offer these amenities to the teams, their sponsors and the media.
