

250 Class Motorcycle Clarification Information – 1/24/2012  
(updated 3/29/2012)

The intent of this bulletin is to inform all competitors in the 250 motorcycle class for the 90th running of the Pikes Peak International Hill Climb of an addition to the rules governing the engine configuration for the 250 motorcycle class. For the 2012 event motorcycles with a 125cc two stroke **single** cylinder engine will be allowed to compete in the 250 motorcycle class.
