

ADDITIONAL TESTING WEEKEND – 1/27/2012

Due to the large number of competitors for the 2012 Pikes Peak International Hill Climb, a second weekend of private testing is now open for competitors who are entered in the 2012 race. June

When: June 2nd and 3rd 2012

It is limited to 15 cars and 30 motorcycles/quads each day.

The cost is as follows:

Car/Truck - \$700/vehicle/day

Motorcycle/ATV - \$200/vehicle/day

Slots are available on a first come first served basis. To register for testing and pay with a credit card, please click [here](#). You will only be assured a slot (if available) once payment has been received.

ANYONE ATTEMPTING TO TEST A VEHICLE WITHOUT HAVING REGISTERED AND PAID WILL BE DROPPED FROM THE RACE PROGRAM WITHOUT REFUND OF ENTRY FEE'S. NO EXCEPTION

All competitors are bound buy the 2012 PPIHC Official rule book

The PPIHC is in charge of the test and will determine each day what sections will be run based on consultation with the Pikes Peak Highway Manager. There will not be full runs of the road on any day.

Registration and payment with a [credit card](#) is preferred.

There will be absolutely no additional testing on Pikes Peak Highway from June 11th trough July 4th 2012.

If you have any questions regarding registration for the test, please e-mail Megan Leatham at megan@ppihc.com or contact the office at 719-685-4400.

Thanks,

Randy Ruyle
Race Director
